

Teacher's Notes

INTRODUCTION

- Recap on how to reach a site by typing in address.
- Recap on how to get to and use a search engine.
- Issue 'Exploring the Internet', if feel they need a written guide.
- Demonstrate how cursor changes.
- Demonstrate how links work.
- Demonstrate the home key.

GIVING OUT QUESTIONNAIRE

- Give out questionnaire.
- Emphasise that searching is not the time for reading in full.
- To speed things up:
 - Look for key words
 - Look for headings
 - Look for links.

POTENTIAL PROBLEMS

- May stray from search
- May get lost
- Mistyping URLs (some are intentionally long to emphasise the need for accuracy)
- Some of the final URLs are quite long and may be difficult for them to write
- Pop up menu on CBBC site may minimize, thus appearing not to work.

Internet Treasure Trail Answers

1. Type the URL or address straight into the address bar and follow the links to find the answer.

Remember to write in the final URL that appears in the address bar.
