

## Tim Brosnan's publications 1986-2002

Brosnan, T. (1986). (Contributor). In Stokes, B. (Ed.), "Revised Nuffield 'A' level chemistry: student book I". Harlow, Longman.

Brosnan, T. (1988). (Contributor). In Stokes, B. (Ed.), "Revised Nuffield 'A' level chemistry: student book II". Harlow, Longman.

Brosnan, T. (1988). "In defence of common sense." Primary Science Review Vol. 8): 20-21.

Brosnan, T. (1989). "Sauce for the gander: a case for a national curriculum in teacher education." Education in Science (134): 16.

Brosnan, T. (1989). "Teaching chemistry using spreadsheets 1: equilibrium thermodynamics." School Science Review **70**(252): 39-47.

Brosnan, T. (1990). "Calculating entropy changes at different extents of reaction." Journal of Chemical Education **67**(1): 48-50.

Brosnan, T. (1990). "Categorising macro and micro explanations of material changes". In Lijnse, P.L., Licht, P., de Vos, W. and Waarlo, A.J. (Ed.), Relating macroscopic phenomena to microscopic particles: a central problem in secondary science education. Utrecht, CDB Press. 198-211.

Brosnan, T. (1990). "Computational modelling and the teaching of equilibrium". Paper presented at the 15th annual Association for Teacher Education Europe conference, Limerick, Ireland,

Brosnan, T. (1990). "Teaching chemistry using spreadsheets 2: more ideas and some limitations." School Science Review **71**(256): 53-59.

Brosnan, T., Adamson, S. and Raffan, J. (1990). "Developing fuels: unit 2 of the Salters' advanced chemistry course". York, University of York Science Education Group.

Brosnan, T. (1991). "Explanations of change". Technical paper No. 3. London Mental Models Group/ESPRIT II Working Group 6237.

Hann, K., Brosnan, T. and Ogborn, J. (1991). "The facts behind the issues." Questions **4**(1):

Hann, K., Brosnan, T. and Ogborn, J. (1991). "The Work of the CHATTS Project". Paper presented at the 16th annual Association for Teacher Education Europe conference, Amsterdam The Netherlands,

Bliss, J., Ogborn, J., Boohan, R., Briggs, J., Brosnan, T., Brough, D., Mellar, H., Miller, R., Nash, C., Rogers, C. and Sakondis, B. (1992). "Reasoning supported by computational tools". In Kibby, M.R. and Harley, J.R. (Ed.), Computer Assisted Learning. Oxford, Pergamon Press. pp 1-9. ISBN 0 08 041395 1.

Brosnan, T. (1992). "In defence of common sense". In Ovens, P. and Harlen, W. (Ed.), Primary Science Review Collection. Hatfield, A.S.E. pp 8-9. ISBN 0 86357 175 1.

Brosnan, T. (1992). "Probabilistic modelling of chemical equilibrium." School Science Review, Vol. 74, No. 266, pp 92-94.

Brosnan, T. (1992). "Spreadsheets - of swans and swimming." Education in Chemistry, Vol. 29, No. 2, pp 50-52.

Brosnan, T. (1992). "Spreadsheets as microworlds for the teaching of chemistry". Paper presented at the NATO Advanced Study Institute on Psychological and Educational Foundations of Technology-Based Learning Environments, Kolymbari Crete, August 1992.

Brosnan, T. and Hann, K. (1992). "Explicating and describing conceptual change in science". Paper presented at the NATO Advanced Study Institute on Psychological and Educational Foundations of Technology-Based Learning Environments, Kolymbari Crete, August 1992.

Brosnan, T. and Hann, K. (1992). "Psychological and educational foundations of technology-based learning environments", Technical paper No. 9. London Mental Models Group/ESPRIT II Working Group 6237. 18 pages.

Brosnan, T. and Hann, K. (1992). "Teachers' explanations", Technical paper No. 8. London Mental Models Group/ESPRIT II Working Group 6237. 22 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Analysis of data", CHATTS Working Paper No. 5. Institute of Education University of London. 23 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Background and rationale", CHATTS Working Paper No. 1. Institute of Education University of London. 14 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Chatting about global warming." Primary Science Review, Vol. No. 23, pp 24-26.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "CHATTS about science - an in-service training development in primary science." Science Teacher Education, Vol. No. 6, pp 5.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "The CHATTS discussion activities", CHATTS Working Paper No. 2. Institute of Education University of London. 28 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "CHATTS: final report for British Gas", Institute of Education University of London. 8 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Classroom resource lists", CHATTS Working Paper No. 3. Institute of Education University of London. 14 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Discussion of results", CHATTS Working Paper No. 6. Institute of Education University of London. 90 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Explanation - a theoretical framework", CHATTS Working Paper No. 4. Institute of Education University of London. 23 pages.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Making sense of science: the CHATTS project." Primary Science Review, No. 21, pp 14-15.

Hann, K., Brosnan, T. and Ogborn, J. (1992). "Summary report", CHATTS Working Paper. Institute of Education University of London. 24 pages.

Ogborn, J., Boohan, R. and Brosnan, T. (1992). "Quantitative reasoning: expressive and exploratory", ESRC Information Technology in Education Initiative, Tools for Exploratory Learning Programme, End of Award Report: Technical Report No. 4. University of London. 56 pages.

Ogborn, J., Brosnan, T. and Hann, K. (1992). "CHATTS: end of award report", (Six Technical Papers and Executive Summary Report). Institute of Education University of London. 216 pages.

Brosnan, T., Hann, K. and Ogborn, J. (1993). "Learning through discussion". In Novak, J. (Ed.), Proceedings of the Proceedings of the Third International Seminar on Misconceptions and Educational Strategies in Science and Mathematics, Ithaca, New York, Cornell University. 39 pages.

Brosnan, T. and Turner, A. (1993). "Initial teacher education for chemistry", Report prepared for the British Council on Chemical Education seminars held at Hebei Education College, Shijiazhuang, People's Republic of China, March 27th to April 21st 1993. Institute of Education University of London. 93 pages.
